Here you see how convenient Baker Bros.' Bedford Nursery Farm is to customers in the Fort Worth-Dallas area. A trip out this way may save you real money in the months ahead!

A standing invitation to

visit our modern new nursery . . .

If you want to see the plants and trees listed in this book, you have only to drive about ten miles northeast of Fort Worth, to our new 340-acre Bedford Farm, where most of these plants are growing.

Here modern practices — such as portable irrigation systems, the use of nursery tractors, and large lathhouses for the production of container-grown stock — are being used on fine fertile soil to produce the best in nursery stock.

Please call on us so that we may have the pleasure of showing you our nursery.
